DEPARTMENT OF HOMELAND SECURITY

Coast Guard

33 CFR Part 165

[Docket No. USCG-2014-0283]

RIN 1625-AA00

Safety Zone: San Francisco Independence Day Fireworks Display,
San Francisco Bay, San Francisco, CA

AGENCY: Coast Guard, DHS.

ACTION: Temporary final rule.

SUMMARY: The Coast Guard is establishing temporary safety zones in the navigable waters of the San Francisco Bay near Aquatic Park in support of San Francisco Independence Day Fireworks Display on July 4, 2014. These safety zones are established to ensure the safety of participants and spectators from the dangers associated with pyrotechnics. Unauthorized persons or vessels are prohibited from entering into, transiting through, or remaining in the safety zones without permission of the Captain of the Port or their designated representative.

DATES: This rule is effective on July 3 and 4, 2014. This rule will be enforced from 9 a.m. on July 3, 2014 through 10:15 p.m. on July 4, 2014.

A. Regulatory History and Information

The Coast Guard is issuing this temporary final rule without prior notice and opportunity to comment pursuant to

authority under section 4(a) of the Administrative Procedure Act (APA) (5 U.S.C. 553(b)). This provision authorizes an agency to issue a rule without prior notice and opportunity to comment when the agency for good cause finds that those procedures are "impracticable, unnecessary, or contrary to the public interest."

Under 5 U.S.C. 553(d)(3), the Coast Guard finds that good cause exists for making this rule effective less than 30 days after publication in the Federal Register. The Coast Guard received the information about the revised location of the fireworks display on June 2, 2014, and the fireworks display would occur before the rulemaking process would be completed. Because of the dangers posed by the pyrotechnics used in this fireworks display, the safety zones are necessary to provide for the safety of event participants, spectators, spectator craft, and other vessels transiting the event area. For the safety concerns noted, it is in the public interest to have these regulations in effect during the event.

B. Basis and Purpose

The legal basis for the proposed rule is 33 U.S.C 1231; 46 U.S.C Chapter 701, 3306, 3703; 50 U.S.C. 191, 195; 33 CFR 1.05-1, 6.04-1, 6.04-6, 160.5; Public Law 107-295, 116 Stat. 2064; Department of Homeland Security Delegation No. 0170.1, which

collectively authorize the Coast Guard to establish safety zones.

San Francisco Travel Association will sponsor the San Francisco Independence Day Fireworks Display on July 4, 2014, near Aquatic Park in San Francisco, CA in approximate positions 37°48'49"N, 122°24'46"W and 37°48'39"N, 122°25'37"W (NAD83) as depicted in National Oceanic and Atmospheric Administration (NOAA) Chart 18650. These safety zones establish a temporary restricted area on the waters 100 feet surrounding the fireworks barges during the loading, transit and arrival of the pyrotechnics from the loading site to the launch sites and until the commencement of the fireworks display. Upon the commencement of the fireworks display, the safety zones will increase in size and encompass the navigable waters around the fireworks barges within a radius of 700 feet. The fireworks display is meant for entertainment purposes. This restricted area around the fireworks barges is necessary to protect spectators, vessels, and other property from the hazards associated with pyrotechnics.

C. Discussion of the Final Rule

The Coast Guard will enforce the San Francisco Independence Day Fireworks Display safety zones from 9 a.m. on July 3, 2014 through 10:15 p.m. on July 4, 2014.

During the loading of the fireworks barges, while the barges

are being towed to the display location, and until the start of the fireworks display, the safety zones apply to the navigable waters around and under the fireworks barges within a radius of 100 feet. Loading of the pyrotechnics onto the fireworks barges is scheduled to take place from 9 a.m. until 2 p.m. on July 3, 2014, and will take place at Pier 50 in San Francisco, CA.

Towing of the barges from Pier 50 to the display locations is scheduled to take place from 8 p.m. until 8:45 p.m. on July 4, 2014. Upon the commencement of the 25 minute fireworks display, scheduled to take place from 9:30 p.m. until 9:55 p.m. on July 4, 2014, the safety zones will increase in size and encompass the navigable waters around and under the fireworks barges within a radius of 700 feet and the will be located 1,000 feet off of Pier 39 in approximate position 37° 48'49"N, 122° 24'46"W (NAD 83) and 900 feet off the Municipal Pier in approximate location 37°48'39"N, 122°25'37"W (NAD 83) for the San Francisco Independence Day Fireworks Display. At the conclusion of the fireworks display the safety zones shall terminate.

The effect of the temporary safety zones will be to restrict navigation in the vicinity of the launch site until the conclusion of the scheduled display. Except for persons or vessels authorized by the Coast Guard Patrol Commander, no person or vessel may enter or remain in the restricted areas. These regulations are needed to keep spectators and vessels away

from the immediate vicinity of the launch sites to ensure the safety of participants, spectators, and transiting vessels.

D. Regulatory Analyses

We developed this rule after considering numerous statutes and executive orders related to rulemaking. Below we summarize our analyses based on these statutes and executive orders.

1. Regulatory Planning and Review

This rule is not a significant regulatory action under section 3(f) of Executive Order 12866, Regulatory Planning and Review, as supplemented by Executive Order 13563, Improving Regulation and Regulatory Review, and does not require an assessment of potential costs and benefits under section 6(a)(3) of Executive Order 12866 or under section 1 of Executive Order 13563. The Office of Management and Budget has not reviewed it under those Orders.

We expect the economic impact of this rule will not rise to the level of necessitating a full Regulatory Evaluation. The safety zone is limited in duration, and is limited to a narrowly tailored geographic area. In addition, although this rule restricts access to the waters encompassed by the safety zone, the effect of this rule will not be significant because the local waterway users will be notified via public Broadcast Notice to Mariners to ensure the safety zone will result in minimum impact. The entities most likely to be affected are

waterfront facilities, commercial vessels, and pleasure craft engaged in recreational activities.

2. Impact on Small Entities

The Regulatory Flexibility Act of 1980 (RFA), 5 U.S.C. 601-612, as amended, requires federal agencies to consider the potential impact of regulations on small entities during rulemaking. The term "small entities" comprises small businesses, not-for-profit organizations that are independently owned and operated and are not dominant in their fields, and governmental jurisdictions with populations of less than 50,000.

This rule may affect owners and operators of waterfront facilities, commercial vessels, and pleasure craft engaged in recreational activities and sightseeing. These safety zones would not have a significant economic impact on a substantial number of small entities for the following reasons. These safety zones would be activated, and thus subject to enforcement, for a limited duration. When the safety zones are activated, vessel traffic could pass safely around the safety zones. The maritime public will be advised in advance of these safety zones via Broadcast Notice to Mariners.

3. Assistance for Small Entities

Under section 213(a) of the Small Business Regulatory Enforcement Fairness Act of 1996 (Public Law 104-121), we want to assist small entities in understanding this rule. If the

rule would affect your small business, organization, or governmental jurisdiction and you have questions concerning its provisions or options for compliance, please contact the person listed in the FOR FURTHER INFORMATION CONTACT, above.

Small businesses may send comments on the actions of Federal employees who enforce, or otherwise determine compliance with, Federal regulations to the Small Business and Agriculture Regulatory Enforcement Ombudsman and the Regional Small Business Regulatory Fairness Boards. The Ombudsman evaluates these actions annually and rates each agency's responsiveness to small business. If you wish to comment on actions by employees of the Coast Guard, call 1-888-REG-FAIR (1-888-734-3247). The Coast Guard will not retaliate against small entities that question or complain about this rule or any policy or action of the Coast Guard.

4. Collection of Information

This rule will not call for a new collection of information under the Paperwork Reduction Act of 1995 (44 U.S.C. 3501-3520).

5. Federalism

A rule has implications for federalism under Executive Order 13132, Federalism, if it has a substantial direct effect on the States, on the relationship between the national government and the States, or on the distribution of power and responsibilities among the various levels of government. We

have analyzed this rule under that Order and determined that this rule does not have implications for federalism.

6. Protest Activities

The Coast Guard respects the First Amendment rights of protesters. Protesters are asked to contact the person listed in the "FOR FURTHER INFORMATION CONTACT" section to coordinate protest activities so that your message can be received without jeopardizing the safety or security of people, places or vessels.

7. Unfunded Mandates Reform Act

The Unfunded Mandates Reform Act of 1995 (2 U.S.C. 1531-1538) requires Federal agencies to assess the effects of their discretionary regulatory actions. In particular, the Act addresses actions that may result in the expenditure by a State, local, or tribal government, in the aggregate, or by the private sector of \$100,000,000 (adjusted for inflation) or more in any one year. Though this rule will not result in such an expenditure, we do discuss the effects of this rule elsewhere in this preamble.

8. Taking of Private Property

This rule will not cause a taking of private property or otherwise have taking implications under Executive Order 12630, Governmental Actions and Interference with Constitutionally Protected Property Rights.

9. Civil Justice Reform

This rule meets applicable standards in sections 3(a) and 3(b)(2) of Executive Order 12988, Civil Justice Reform, to minimize litigation, eliminate ambiguity, and reduce burden.

10. Protection of Children

We have analyzed this rule under Executive Order 13045, Protection of Children from Environmental Health Risks and Safety Risks. This rule is not an economically significant rule and does not create an environmental risk to health or risk to safety that may disproportionately affect children.

11. Indian Tribal Governments

This rule does not have tribal implications under Executive Order 13175, Consultation and Coordination with Indian Tribal Governments, because it does not have a substantial direct effect on one or more Indian tribes, on the relationship between the Federal Government and Indian tribes, or on the distribution of power and responsibilities between the Federal Government and Indian tribes.

12. Energy Effects

This action is not a "significant energy action" under Executive Order 13211, Actions Concerning Regulations That Significantly Affect Energy Supply, Distribution, or Use.

13. Technical Standards

This rule does not use technical standards. Therefore, we

did not consider the use of voluntary consensus standards.

14. Environment

We have analyzed this rule under Department of Homeland Security Management Directive 023-01 and Commandant Instruction M16475.1D, which guide the Coast Guard in complying with the National Environmental Policy Act of 1969 (NEPA) (42 U.S.C. 4321-4370f), and have determined that this action is one of a category of actions that do not individually or cumulatively have a significant effect on the human environment. This rule involves a safety zone of limited size and duration. This rule is categorically excluded from further review under paragraph 34(g) of Figure 2-1 of the Commandant Instruction. An environmental analysis checklist supporting this determination and a Categorical Exclusion Determination are available in the docket where indicated under ADDRESSES. We seek any comments or information that may lead to the discovery of a significant environmental impact from this rule.

E. List of Subjects in 33 CFR Part 165

Harbors, Marine safety, Navigation (water), Reporting and recordkeeping requirements, Security measures, and Waterways.

For the reasons discussed in the preamble, the Coast Guard amends 33 CFR Part 165 as follows:

PART 165- REGULATED NAVIGATION AREAS AND LIMITED ACCESS AREAS

1. The authority citation for part 165 continues to read

as follows:

Authority: 33 U.S.C. 1231; 46 U.S.C. Chapter 701, 3306, 3707; 50 U.S.C. 191, 195; 33 CFR 1.05-1, 6.04-1, 6.04-6, 160.5; Pub. L. 107-295, 116 Stat. 2064; Department of Homeland Security Delegation No. 0170.1.

2. Add temporary § 165-T11-641 to read as follows:

§165-T11-641 Safety zone; San Francisco Independence Day

Fireworks Display, San Francisco Bay, San Francisco, CA

(a) Location. These temporary safety zones are established in the navigable waters of the San Francisco Bay near Aquatic Park in San Francisco, CA as depicted in National Oceanic and Atmospheric Administration (NOAA) Chart 18650. From 9 a.m. on July 3, 2014 until 9:30 p.m. on July 4, 2014, the temporary safety zones apply to the nearest point of the fireworks barge within a radius of 100 feet during the loading, transit, and arrival of the fireworks barge from Pier 50 to the launch sites near Aquatic Park in approximate positions 37°48'49"N, 122°24'46"W and 37°48'39"N, 122°25'37"W (NAD83). From 9:30 p.m. until 10:15 p.m. on July 4, 2014, the temporary safety zone will increase in size and encompass the navigable waters around and under the fireworks barge in approximate position 37°48'49"N, 122°24'46"W and 37°48'39"N, 122°25'37"W (NAD83) within a radius of 700 feet.

(b) Enforcement period. The zone described in paragraph (a) of this section will be enforced from 9 a.m. on July 3, 2014 until 10:15 p.m. on July 4, 2014. The Captain of the Port San Francisco (COTP) will notify the maritime community of periods during which

this zone will be enforced via Broadcast Notice to Mariners in accordance with 33 CFR 165.7.

(c) Definitions. As used in this section, "designated representative" means a Coast Guard Patrol Commander, including a Coast Guard coxswain, petty officer, or other officer on a Coast Guard vessel or a Federal, State, or local officer designated by or assisting the COTP in the enforcement of the safety zones.

(d) Regulations. (1) Under the general regulations in 33 CFR Part 165, Subpart C, entry into, transiting or anchoring within this safety zone is prohibited unless authorized by the COTP or a designated representative.

(2) The safety zones are closed to all vessel traffic, except as may be permitted by the COTP or a designated representative.

(3) Vessel operators desiring to enter or operate within the safety zones must contact the COTP or a designated representative to obtain permission to do so. Vessel operators given permission to enter or operate in the safety zones must comply with all directions given to them by the COTP or a designated representative. Persons and vessels may request permission to enter the safety zone on VHF-23A or through the 24-hour Command Center at telephone (415) 399-3547.
